

Upward Soccer

Upward Soccer registrations have begun. **We will accept registrations until July 27.** Practices begin August 17 and games begin September 4. The cost is \$60 and there is an optional charge of \$13 for soccer shorts. This is for children ages 3 years old by March 1, 2010 through the 4th grade. We would love to have your child participate in this fun environment to learn the game of soccer; the skills required to play soccer; the values of sportsmanship, teamwork, integrity and respect; and to hear about the love of Jesus. Upward Soccer is open to the community. Please come and join us! Registration forms are in the Ministry Information Center or the FAC Office during the week.

Help Low-Income Families "Beat the Heat"

With this summer's unusually warm temperatures, the Salvation Army is doing what it can to help low-income families beat the heat this year. They are collecting new and used fans or money to purchase fans for needy families in the Knoxville area. The fans will be distributed to area residents in need of help in beating the summer heat, with a focus on senior citizens and families with small children. To donate a fan for the needy, please bring to the receptionist desk for the Salvation Army to pick up.

Lunch Service

Central has a great lunch time service for anyone who is interested in picking up prepared lunch meals for the home bound or for anyone who would simply like not to have to cook on Tuesdays and Thursdays for lunch. Gary Harper and the kitchen team would be glad to provide you with meals ready to go. You can call ahead during the morning and place the order with the kitchen staff (450-1000 ext. 123 or 124). Please be sure to tell them any special requests or needs you may have and they will prepare the lunch ready for pick up. The cost is \$4.00 and the service is on Tuesdays and Thursdays starting at 11:30 AM. **Please note: Tuesday and Thursday lunches will not be served during Sabbath Rest (August 1-14). Lunch service will resume on August 17.*
