

PASTOR SEARCH COMMITTEE UPDATE:

PSC chairman Warren Payne gave updates in both worship services on Sunday, December 20th informing the congregation that the committee is ready to receive recommendations, profiles and resumes for the position of Sr. Pastor. These forms are available on the church website, [cbcbearden.org/pastor search](http://cbcbearden.org/pastor%20search), or in hard copy in the Welcome Center. The Church Profile, Pastor Profile and Listening Session summaries are also available on the website. The PSC would like to thank Tom Minter for his outstanding work on the Church Profile and Alice Lowe for her time and expertise with the website. Please continue to send comments or suggestions to the committee at pastorsearch@cbcbearden.org or place them in the Pastor Search Suggestion Box located in the Welcome Center. Please pray for the continuing guidance of the Holy Spirit for the PSC, this process and the preparation of the pastor whom God has already chosen for Central.
